How to make a claim

While in hospital

We have direct settlement with almost all of our hospitals and consultants. This means that when you go into hospital (for in-patient or day-case treatment), you simply fill out a form when you arrive, sign it when you leave, and the hospital then deals directly with us. There's no need for you to do anything else. We will then contact you afterwards to let you know how your claim has been assessed. It's as simple as that.

Please log into your Member Area any time of the day prior to any treatment to confirm your cover. To confirm your cover you will need details of the hospital/centre you are attending along with your consultant's name and the procedure code.

Everyday Medical Expenses

If you have other health expenses, like physiotherapy, GP or casualty visits, just keep your receipts. Claiming has never been easier

with our Member App. You can submit your claims for everyday medical expenses through the app at any point during the year - 24 hours a day, 7 days a week. Alternatively fill in an out-patient claim form (which you can download from your Member Area or which can be posted to you if requested) include all your receipts and send to:

Laya healthcare, PO Box 12679, Dublin 15.

You must submit your receipts for everyday medical expenses to us within twelve months from the end of your policy year. If your receipts are not received within this timeframe, your benefits will not be paid.

Visit www.layahealthcare.ie/howtoclaim for forms and more details on claiming through the app.

Read on for a full explanation of our benefits.

Scheme Rules

Effective from 1st April 2026

1. Reading your rules booklet

This booklet consists of the Scheme Rules which sets out definitions and the rules applicable to your policy.

You need to read these rules (including the notes) in conjunction with the current Benefit Table applicable to your policy, your membership certificate and your application form (if applicable). These documents and the Scheme Rules make up the agreement between us, Laya Healthcare, and you, the member.

The benefits/cover you have available on your chosen scheme are set out on your Benefit Table.

2. Policy Definitions

It is important for you to understand that some of the terms we use have specific meanings. These terms and their meanings are set out below and bolded throughout the remainder of the Scheme Rules.

- (f) In the event that **you** cease living in **Ireland** for a consecutive period of six months or more in a membership **year**, **you** must contact us to cancel your scheme. If **you** do not cancel **your** scheme, and have been out of the country for a consecutive period of six months in your membership **year** or more no claims will be eligible for payment regardless of subscriptions being paid
- (g) We may end **your** membership of the **scheme** by writing to **you** if **you** do not pay any or part of **your** subscriptions on the date they are due. If **your** membership ends because **you** do not pay **your** subscriptions, we may allow **you** to continue **your** membership, as long as **you** pay the subscriptions **you** owe within 10 business days of the date on the cancellation letter.
- (h) Where a change made to **your** policy increases **your** subscriptions and we choose to cancel **your** policy in accordance with 7(g), we may cancel **your** policy from whatever period **your** subscriptions provide cover for.
- (i) For members on the Connect Simplicity scheme, if a person's membership of the scheme ends because we end their membership (eg. for fraudulent misrepresentation), we will give a refund of subscriptions paid for them for the period after their membership ends.
- (j) If **you** cease to be a member of **your scheme** for any reason at any time, the membership of each of **your dependants** on the **scheme** will also end at the same time unless we otherwise agree in writing at the time. **Your dependants** will need to make their own arrangements with us to continue their membership of their **schemes**. They can do this by telephoning or writing to us. We will explain to them what they will need to do.
- (k) If a person's membership of the scheme ends because we end their membership (e.g. for fraudulent misrepresentation, submission of fraudulent claims), we will offset any refund of subscriptions paid for them in respect of the period after their membership ends against any benefits deemed fraudulently claimed.

8. What is covered under the scheme

- (a) We will pay **benefits** for **treatment** a person receives while they are a member of their **scheme**. We will pay **benefits** under the **scheme** of which they were a member at the time they received the **treatment** and according to the rules and Benefit Table of the **scheme** that applied to them at that time. We will not pay **benefits** for **treatment** which a person receives while he or she is not a member of the **schemes**.
- (b) We will only pay fees and charges for **treatment**, services and facilities that are reasonable and customary and in any event only up to the limits shown in the Benefit Table. By reasonable and customary we mean that what **you** are charged for and how much **you** are charged is not more than what the majority of our other members of the **schemes** are charged in **Ireland** for similar **treatment** services or facilities. Should you wish to find out the reasonable and customary amount for a service, please contact us and we will be happy to advise you.
- (c) The **treatments** which are covered and/ or level of cover for those **treatments** may change during the **Year** (for example where a procedure is re-designated or is no longer covered by **laya healthcare** in a **participating hospital**), so please check with us before booking in for those **treatments** that **you** are properly covered for the relevant **treatment**.
- (d) If **you** or **your dependants** have had **In-patient treatment** or **Out patient surgical treatment**, we may pay **benefits** directly to the person who provided that **treatment**.
- (e) We will only pay **benefits** for costs and expenses that **you** have to pay. We will only pay **benefits** for **treatment** that **you** need and have received.
- (f) Any **benefits** we pay for **treatment** to which **you** are not entitled, will still count towards the maximum amount we will pay under the **scheme**. We may decide to make these payments, but it does not mean we will have to pay them in the future.
- (g) We will pay **benefits** for **in-patient treatment** for psychiatric or addictive conditions or problems up to the following limits:
- (i) The maximum number of days of **in-patient treatment** for psychiatric conditions (other than those referred to in 'ii') for which we shall pay **benefits** for any person in any calendar **year** shall be the number of days listed on your Table of Benefits less the number of days of such **treatment** that the person has received during the same calendar **year**, in respect of which a claim under the same benefit is payable by us or any other **Health Insurance Contract**.
- (ii) The maximum number of days of **in-patient treatment** for alcoholism, gambling addiction, drugs or substance abuse for which we shall pay **benefits** for any person in any continuous period of five years shall be 91 less the number of days of such **treatment** received by that person during the same five-**year** contract period in respect of which a claim is eligible for benefit by **laya healthcare** or in respect of which payment has been made by any other **Health Insurance Contract**.
- (h) The maximum number of days of **in-patient treatment** and **day-case treatment** combined for which we shall pay **benefits** for any person in any calendar **year** shall be 180 less the number of days of such **treatment** received by that person during the same calendar **year** for which any payment has been made or is payable under any **Health Insurance Contract**. In the case of anyone who joins or cancels during the **year**, their number of eligible days for **in-patient** or **day-case treatment** will be calculated on a pro rata basis.
- (i) We will only pay benefits in relation to the diagnosis or **treatment** of illness or injury of a person which is **Medically Necessary**.
- (j) We do not have to pay **benefits** for **in-patient treatment** provided by a **hospital** if we are of the reasonable opinion, based on appropriate medical advice, that the **treatment** could have been received as **day-case treatment**

or out-patient **treatment**. We also do not have to pay **benefits** for **day-case treatment** if we are of the reasonable opinion, based on appropriate medical advice, that the **treatment** could have been received as out-patient **treatment**. However, we will pay **benefits** for such **treatment** as follows:

- if **you** receive **in-patient treatment** and we determine that the **treatment** could have been received as **day-case treatment**, we may treat such **treatment** as **day-case treatment** for the purpose of paying **benefits**
 - if **you** receive **in-patient treatment** or **day-case treatment** and we determine that the **treatment** could have been received as out-patient **treatment**, we may treat such **treatment** as out-patient **treatment** for the purpose of paying **benefits**.
- (k) Despite anything to the contrary in these rules and the Benefit Table, **you** may claim any **benefits** we are required to pay under the **minimum benefit regulations**.
- (l) Colon cancer screening provided by a **participating hospital**, this **benefit** is paid subject to certain medical conditions or **Clinical Indicators**. An excess may apply. Please ask us for details.
- (m) We will only pay **benefits** for **consultants' fees** for **in-patient treatment** or **day-case treatment** if the **treatment** is provided in a **laya healthcare participating hospital**.
- (n) In the case of a person who was covered under a **Health Insurance Contract** within 13 weeks before their **membership start date**, we will only pay **benefits** for **treatment** received during their additional cover waiting period if **benefits** for the **treatment** would have been payable under that **Health Insurance Contract**. And we will only pay **benefits** for such **treatment** during the additional cover waiting period up to the amount that would have been payable under that **Health Insurance Contract** if the amount is less than would otherwise be payable by us under the **scheme**.

A person's additional cover waiting period for this purpose shall be:

- the first **year** following their **membership start date** for maternity in-patient and home birth **benefits** shown on **your** Benefit Table.
- the first two years following their **membership start date** for all other **benefits**

This rule will not restrict cover for **treatment** arising out of any illness, injury or disease which originated after the person's **membership start date**. This rule applies both to a person who becomes a member of the **scheme** for the first time or to anyone changing their **scheme** to a **scheme** which generally provides more extensive cover.

- (o) Subject to **laya healthcare** paying **benefits** up to the amount required by the **minimum benefit regulations**, **laya healthcare** shall deduct the **private hospital excess/Hi-tech hospital** excess. The excess applies on a per claim basis.
