

## Chief Executive/ Registrar

### The organisation

The Health Insurance Authority (“the Authority”) is the statutory regulator of the private health insurance market in Ireland established in 2001 under the Health Insurance Acts. Under this legislative aegis, the Authority acts as a regulator, as a provider of consumer information, as an adviser to the Minister for Health, as a custodian of the risk equalisation fund, and as a competent, effective, learning organisation committed to excellent governance standards.

### The role

The Authority seeks applications from high-calibre individuals for the position of Chief Executive/ Registrar. The Chief Executive/ Registrar is a key strategic role for the organisation and the successful candidate will be expected to provide effective leadership to the organisation in the implementation of its key functions in the public interest, delivered in accordance with the Authority’s mission, vision and core values.

### The person

The successful candidate will be a strategic leader with senior management experience in a highly regulated sector. They will have strong business acumen, credibility and influencing capabilities and will effectively represent the Authority’s interests to all external constituencies and stakeholders, including government and the health insurance industry in general.

The Chief Executive/ Registrar will have proven experience of delivering on demanding strategic plans and a strong commitment to a culture of collaboration, teamwork, dialogue and collegiality. They will have sound judgement and decision-making skills and a strong desire to serve the public interest. They will be a multi-faceted and impactful communicator able to develop and maintain relationships and collaborations at the most senior organisational levels.
