

THE HEALTH INSURANCE AUTHORITY PUBLICATION SCHEME

Section 8 of the Freedom of Information Act 2014, requires FOI bodies to prepare and publish as much information as possible in an open and accessible manner on a routine basis outside of FOI, having regard to the principles of openness, transparency, and accountability. This allows for the publication or giving of records outside of FOI provided that such publication or giving of access is not prohibited by law. The scheme commits FOI bodies to making information available as part of their normal business activities in accordance with this scheme.

Please find The Health Insurance Authority Publication Scheme below. Each table contains links to the relevant information on the HIA's website. If the information you require cannot be found here, you may wish to conduct a search on the [HIA's website](#).

E. Procurement

All Irish public bodies are obliged to treat public funds with care and to ensure that the best possible value-for-money is obtained whenever public money is being spent or invested.

The Public Spending Code is the set of rules and procedures that apply to ensure that these standards are upheld across the Irish public service

- **Procurement policies**

The Health Insurance Authority adheres to Public Procurement Guidelines in relation to the attainment of professional services. The guidelines can be accessed [here](#).

The Office of Government Procurement (OGP) commenced operations in 2014 and is now taking responsibility for sourcing of goods and services on behalf of the Irish Public Service. Through Framework agreements Public Bodies are encouraged to source provision of services within this process. The HIA has used this process to tender for service provision where appropriate and suitable to the HIA's requirements.
